Sheridan yet Pursuing his Victorious Ca-reer - His Cavalry at Staunton - His Forces also Reach Waynesburgh - He Destroys the Railroad Track between Christiana Creek and Staunton - Forrest's Raiders on the Retreat in Ten-

WASHINGTON, Sept. 29, 7 a. m.

To Mojor General Dix, New York: A dispatch just received from Gen. Grant, gives a telegram contained in yesterday's Richmond Whig, dated at Charlottesville, which states that our cavalry entered Staunton on Monday at 8 a. m. That our forces were also at Waynesburgh. That no damage had been done up to 4 p.m., but smoke indicated that we were burning the railroad track between Chris-

tiana Creek and Staunton. No direct communication has been had with Gen. Sheridan for several days. Couriers to and from him are known to have been captured by guerrillas that infest the country in

Dispatches to 9.40 last night have been received from Gen. Sherman at Atlanta, but no movements at that point are reported.

From Nashville our dispatches are to 9.30 last night. The enemy did not attack us at Pulaski, but took the pike towards Fayetteville, and was pursued about nine miles by our cavalry. General Rousseau is returning with his infantry to Nashville.

The draft is quietly progressing in all the States. But desperate efforts will be made by the enemy to force Sherman from Atlanta, by destroying his communications. Volunteer enlistments being more speedy than the draft, all loyal and patriotic people should urge forward rapid enlistments, in order to reinforce Sherman and enable him not only to hold his positions, but also without delay to push on his campaign.

EDWIN M. STANTON, Secretary of War.

OPERATIC .- Mr. Charles Levi, the accomplished agent of the Italian Opera Company, is n town, making arrangement for a series of operatic concerts to be given by that company in this city, commencing about the first of next week. The company embrace such performers as Madame Whiting Lorini and Madame Natalie Testa, and Senors Stefani, Testa, Amodio, and Devivo. The musical public will look forward to these performances with much interest.

NEW MUSIC .- "Little Barefoot Waltz" is the title of a piece of music sent us by John F. Ellis, 306 Pennsylvania avenue. It is very neatly

gotten up, and bears a good likeness of Miss Maggie Mitchell. FINANCIAL. - The New York Commercial

Advertiser of yesterday evening says: The stock market exhibits still a vigorous reaction from the late decline. The fall in prices has drawn in a good number of outside buyers, and affords a favorable opportunity for the "bears" covering their recent large short sales; the market therefore strongly favors the sellers, and prices are 1a3% higher, with a gen-ally strong feeling. The short transactions are very limited, and buyer's options on the in-

Governments show a recovery from the de-pression of the last two or three days, the result, doubtless, of the recent military successes and the supposition that evil to the "Confeder. acy" may come out of the rumored negotiations between Gen. Sherman and Gov. Brown Fresh orders for Five-twenties have come from Europe, which cannot be executed at the present rates of exchange.

Gold opened firmer this morning under the heavy pressure to cover the shorts of the last two or three days. Yesterday scarcely a complete delivery was made by the members of the Gold Room, and it will probably require ten days to complete deliveries that should be made within three days—such is the loose me-thod in which the business of the Room is now conducted. All are defaulters, and, therefore, all are shut up against complaint.

If the contracts made in the Room were strictly enforced, the gold exchange would be cleared of three fourths of its habitues within a week.

COMPENSATION TO POSTMASTERS .- Pursuant to the requirements of the act of Congress approved July 1, 1864, to establish salaries for postmasters, &c , the Postmaster General, a few days since, ordered the following in this locality: Washington, D. C., \$4,000; George-town, D. C., \$2,400; Alexandria, Va., \$2,600; Baltimore, \$4,000; Wheeling, Va., \$3,100; An-napolis, \$2,000; Uumberland, \$2,200; Frede-rick, \$2,200; Havre-de-Grace, \$1,200; Elkton, Md., \$1,100; Ellicott's Mills, \$1,100; Hagers-town, \$1,700; Port Deposit \$1,200 Saint Depotown, \$1,700; Port Deposit, \$1,200, Saint Dennis, \$1,100; Sandy Hook, \$1,700; Point Lookout, \$1,900; Clarksburg, Va., \$1,500; Kanawha Court House, \$1,800; Martinsburg, Va., \$1,600; Parkersburg, Va., \$1,900; Harper's Ferry Va., \$2,100; New Creek Station, \$2,100; Norfolk, Va, \$2,400; Old Point Comfort, \$2,000; Beaufort, S. THE MANASSAS ROAD .- Some days ago we heard that a reconnoitering party had started out to make an examination of the Manassas Gap railroad, preparatory to reopening it to Strasburg. As we have heard nothing further on the subject, we presume the information was incorrect. We presume the road is in a very bad condition beyond Manassas, and to repair it would be almost as heavy an undertaking as to construct a new one.—Alex. Journal, Sept. 28th.

Two negro boys, one belonging to Mr. Quynn and the other to Mrs. Nottingham, were found dead in the woods near that village. It is supposed they were struck by lightning dur-ing the heavy hail and rain storm of Sunday, the 11th instant. Their bodies were considerably mutilated by birds or beasts of prey .- Marlboro Gazette, Sept. 28.

Grand Lincoln and Johnson Demonstration at the Navy Yard.

Last night the East Washington Lincoln and Johnson club met in full force at the corner of Virginia avenue and 8th streeteast, and raised a beautiful campaign flag. There was a large crowd in attendance at the opening exercises and it was augmented by the arrival of a procession from the Central Club on 9th street, headed by Finley hospital band and bearing numerous transparencies with appropriate inscriptions. The speaker's stand was blazing with lights and transparencies. There was a splendid band in attendance, and at intervals salutes were fired by a battery brought there for the purpose.

The arrangements were perfected under the direction of Wm. Dixon, Esq., chairman, and Messrs. Wm Hutchinson, Wm. Beron, James Hilton, Samuel Cross, Wm. P. Brown, executive committee. The fireworks were beautiful indeed, and were got up under the direction of Mr. John W. Thompson, who superintended their operation during the entire evening.

The transparencies bore the following mot-toes. On the stand were the following: On the east front, "Lincoln and Johnson;" on one side appear the words "Our Army," and on the other "Our Navy." Just below is the motto, "The Federal Union; it must and shall be preserved."-Jackson.

On the south front, the motto of the illustrious Clay-"It is asked when I would agree to a dissolution of the Union? Never, never,

On the north front, the memorable words of President Lincoln-"Now and forever I shall do all in my power for peace, consistent with the maintenance of the Government" Scattered around were the following : "Shoot

the first man that dares haul down the American flag!"-Dix. On the reverse-"This flag will never be surrendered to traitors."-Foster. Representation of the Weldon railroad-spre .d eagle_"Death to the Copperhead!" "I propose to move immediately upon your works!"-Grant. "Down with the traiter rag!" "Up with the Starry Flag !" "Vallandigham, the leader of the Copperheads." "East Washington Lincoln and Johnson Club." "Our Coun-"The three Peace Commissioners-Grant, Sherman and Farragut." "No compromise with traitors in arms!"-Lincoln. "Grant-the man to flank the Chicago platform." "Come weal or woe, we should stand by the flag of our country."—Everett. "Those that cry peace, at the sacrifice of the Union are only fit to be serfs." "One Country; One Flag;

One Destiny"-on the reverse, a shield. The Lincoln and Johnson Club from 9th street had transparencies bearing the following mottoes:-"Lincoln and Johnson Club of Washington City"—(likenesses of candidates.) Representation of the Presidential Mansion— "Leased to Abraham Lincoln, by the people, until March 4, 1869." Pictures of a soldier and sailor-"Lincoln's peace commissioners, Grant, Sherman, Sheridan, Farragut, Dupont, Porter." "We are coming, Father Abraham, two million voters more."

Some of the mottoes of the lesser ones read as follows:-"Spades to the rear." "No armistice." "Free suffrage for our soldiers." destiny-one nation." "Honor to the Navy. "Honor to the Army." "Atlanta and Mobile." "Sheridan and Fisher's Hill." "Greenbacks and Bluebacks vs. Greybacks." "Maine and Vermont" "Farragut and Dahlgren." The following were draped in mourning

Remember the fallen." "Honor to the dead." "Sacred are our battle fields." James Clements, Esq., Vice President of the club, called the meeting to order at 7% o'clock, and the flag was at once run up, amid the cheers of the multitude, the masic of the band

and the roar of artillery. The following resolutions were read by Mr. James C. Dulin, secretary of the club, and was unanimously adopted:

Whereas the period is rapidly approaching when the people of the United States are called upon to elect a President and Vice President according to the mode prescribed by the Constitution; and,

lidates of both the friends of the country and their enemies are now in the field, it behooves us, as citizens, to take a stand for one or the other; therefore, be it Resolved, That in Abraham Lincoln, the country has had for the past four years, a faithful, honest, competent and patriotic Chief Magistrate, who has a just claim on the patriotic, Union-loving citizens of all sections for re-election, and we hereby pledge ourselves to use all honorable means in our power to

secure that result. Resolved, That in Andrew Johnson, of Tennessee, we recognize a patriot and statesman of unimpeachable integrity, who will prove a worthy successor of our present able and honest Vice President, Hanibal Hamlin.

Resolved, That Major General George B. Mc-Clellan, in allowing himself to be made a tool of by the traitors and their dupes, who lately assembled at Chicago, has lost the confidence of the loyal people of the land; and the open prayers in his behalf, on the part of the rebets at Richmond, should be a warning to every Resolved, That the course of Geo. H. Pendle-

ton in persistently voting in Congress with the enemies of our country, against furnishing supplies to our army and navy, has placed him in the same category with Ben and Fernando Wood, Vallandigham, Long, Harris, and Voorhees, and, as such, he deserves the contempt of

the community.

Resolved, That our thanks are due, and are bereby tendered to Grant, Sherman, Meade, Thomas, Sheridan, Farragut, Porter, and all the other gallant officers, soldiers, and sailors of our army and navy for their patriotic efforts and gallant deeds in our behalf.

Eloquent speeches were made by Gen'l E.C. Carrington, Hon. A. W. Randall, Assistant Post Master General, Mr. Riddle, of Ohio, Mr. Sparrow, of Illinos, and others; all of whom vindicated the cause of the administration and predicted a glorious victory in November. Much was said of Grant, Sherman, Sheridan, Farragut, and indeed all of our leaders, who were designated as the true and only peace commissioners who could solve the problem of

The crowd was dense, and filled up all the available space about the speaker's stand, and the best order prevailed throughout, with the exception of a little skirmishing on the outskirts of the crowd, occasioned by a drunken man, who vociferously announced himself as a McClellanite. The announcement excited the ire of a Lincoln man, and one or two voices (impelled by whisky) called out, "Kill him; hang the damned copperhead," &c. The whole excitement did not last more than three minutes, and with this exception everything was orderly

and quiet. During the speaking the cheers for Lincoln and Johnson were long and loud. The meeting run into midnight, and the crowd separated in the best spirits.

THE REBEL RAID IN MISSOURI. Potosi Captured by the Enemy-The Rebels Repulsed at Mineral Point. St. Louis, Sept. 29 -Mr. Barnes, telegraph

operator, who left Pilot Knob yesterday at noon, disguised, arrived at De Soto to-day. He reports that Gen. Ewing has concentra ted his troops in front of the rebe! position. The enemy planted a battery on Sheppard's Mountain and were throwing shells into the fort, doing some execution. The Federal forces under Col. Mills were attacked at Mineral Point last night by a large body of rebels. The enemy was repulsed, but our troops subrequently withdrew to De Soto.

Gen. Smith's headquarters are still at De Soto, where he is receiving reinforcements. General Ewing was ordered to evacuate Pilot Knob, but the rebels cut the communication before he could get away. About 12,000 militia are under arms, which with the independent citizen companies, make quite a formidable force.

Potosi was captured by the rebels last night.

CAVALRY DASH INTO LEESBURG. On Tuerday a detachment of the 8th Illinois Cavalry crossed the Potomac river at Muddy

Deench and made a dash into Leesburg. The only rebel in arm: found there, was Orderly Sorgeant William Ball, of Company K, 6th Virginia cava'ry, who was run down and captured by our troops. After Ball's capture the ladies of Leesburg took up a collection and rafsed him about one hundred dollars in "greenbacks" to bear his expenses, they said, "while in the hands of the vile Yankees." cavalry returned to the Maryland side of the river with their prisoner. FOR CHARLESTON. The United States surveying steamer Eibbleft the Washington Navy Yard this morning

for Charleston, S. C. LOCAL NEWS. CRIMINAL COURT, Judge Fisher .- After our

report closed this morning, the following jury was empannelled to try the case against Ephraim Phillips, charged with the murder of James W. Boyle, about the first instant: Henry B McElfresh, Maddison Gassaway, Jacob Frye, Thos. D. Larner, Wm. G. Yost, Thos. C. Welles, Richard H. Harrison, Rich'd L Ross, James T. Eoisseau, Chas. Cumberland, Gratton Powell, and Walter Evans.

Mr. Carrington opened the case, reciting the circumstances of the case as he understood them, claiming that he was guilty of murder. Several witnesses were examined for the prosecution. It appears that the affair occurred at the Keystone Restaurant, in Georgetown, kept by Mr. Giles; that Phillips kicked Boyle, and the latter ran in behind the bar, when the shooting took place, Phillips having followed him. It is alleged that Phillips took up a pistol and fired, the ball passing through his body, causing his death in about fortyeight bours. Phillips alleges that they both had hold of the pistol, and it went off acoa-

dentally. SHOOTING AFFAIR .- About 7 o'clock last night a man named Michael Hill, and another, whose name is unknown to the police, had a quarrel at the corner of Delaware avenue and H street north. Persons standing near heard Hill say, "D-n you, I am a better man than you," and saw him advance toward the other, who told him to come no nearer. Hill paid no attention to the caution, but continued to advance. The unknown man fired a shot, which took effect in Hill's abdomen, causing a pain-ful and dangerous wound. Hill was carried to his home in Jackson Alley, near Capitol Branch. Justice Clayton was tent for, but Hill refused to make his statement of the facts or disclose the name of the party who shot him, although he knew him. Roundsman Eckloff and the police on the beat made every effort to arrest the party, but so far without success.

Hill had died.

This morning it was reported to the police that
